1.0 PURPOSE

The purpose of this policy is to ensure that University-related travel and business expenditures are managed in a consistent and cost-effective manner that supports the University's mission.

2.0 PRINCIPLES

- 2.1 As a publicly funded institution, the University, through its governing bodies, employees, and volunteers, is accountable for the effective use of its resources and for ensuring those resources are deployed in the best possible way. University funds may be used for reasonable and appropriate expenditures incurred to conduct University business.
- 2.2 Travellers, and others arranging University travel, should make the most economical travel arrangements possible, consistent with the purpose of the travel, while also considering the effective use of a traveller's time.

3.0 SCOPE

- 3.1 This policy applies to all travel and business expenditures paid from University administered funds unless expressly indicated otherwise by the funding organization.
- 3.2 External funders may have specific restrictions or allowances that differ from the University's policies, in which case the policies and procedures of the funding agency apply.
- 3.3 Unless there are specific procedures established elsewhere, by contract or external agency, these procedures apply to all travel and business expenses incurred on behalf of the University.
- 3.4 Unless otherwise noted in these procedures, if an individual seeks exception to the policy or procedures, the individual must obtain prior approval of their supervisor/one-up and the Procedural Officer. The individual seeking exception must provide: a written description of the exception being sought, the rationale for seeking the exception, confirmation that the exception will be covered by the applicable Unit's budget, and any other documentation requested by the supervisor/one-up and the Procedural Officer.

4.0 DEFINITIONS

For the purpose of this policy and related procedures, the following definitions apply:

- 4.1 **Appropriate Documentation** includes receipts and other supporting documents, as well as a statement of the purpose of the expenditure.
- 4.2 **Budget (or Fund) Holder** authority for travel and business expenses may only be delegated one level down from the Budget Holder to a position in a direct reporting relationship.
- 4.3 **Business Expenses** include all expenses that advance the University's mission including hospitality, entertainment, food, beverages, and social or recreational activities.
- 4.4 **CRA** means Canada Revenue Agency.
- 4.5 **Expense/Expenditure** refers to the dollar amounts incurred for travel and/or business expenses.
- 4.6 **Hospitality** The provision of food and beverages, social or recreational activities, events and functions and gifts in support of the educational, research or service activities of the University. Hospitality normally involves:
 - 4.6.1 hosting an external individual – guest, visitor, prospective faculty, staff or student, benefactor, or stakeholder; or
 - 4.6.2 employee-only activities such as work meetings, social functions, gifts, and awards.
- 4.7 **Per Diem** A fixed allowance for which no receipts are required.
- 4.8 **Reasonable and Appropriate** expenses are deemed to be based on sound judgment and moderation.

The following questions should be considered when determining whether an expense is reasonable and appropriate:

- 4.8.1 Does the expense need to be incurred and is there value for UNBC?

- 4.8.2 Is there an alternative that is less expensive but still appropriate, safe and convenient?
- 4.8.3 Are there alternatives to travel that mitigate the production of greenhouse gas emissions?
- 4.8.4 Would this expense be considered excessive/unreasonable from the general public's view?
- 4.8.5 Is it an arm's length transaction (e.g., no conflict) that conforms to sound business practice?
- 4.8.6 In the case of research activities, does the expense contribute to the direct costs of the research/activities for which the funds were awarded? Is the expense effective and economical, not resulting in personal gain for members of the research team?
- 4.9 **Receipt** is a document indicating that a specified sum of money has been received as an exchange for specifically itemized goods or services showing date, item(s), cost, taxes if applicable, method of payment (for example, credit card, cash) and merchant name.
- 4.10 **Traveller** is the employee, student, or member of the Board of Governors who is travelling on behalf of the University and is the claimant.

5.0 POLICY

- 5.1 All employees and others incurring expenses on behalf of the University have a fiduciary responsibility to use UNBC funds in a responsible manner. All expenses must be incurred in accordance with this Policy and the *Travel and Business Expenses Procedures*.
- 5.2 University funds may be used for travel and business expenditures of members of the Board of Governors and Senate, employees, students, and others incurred on university business in support of the University's mission.
- 5.3 Travel and business expenditures incurred must be properly approved, reasonable and appropriately documented in accordance with the procedures issued by the Vice-President, Finance and Administration.

- 5.4 Expenses that are not directly related to a University activity, exceed reasonable amounts, or do not comply with this or other policies, are the responsibility of the individual who incurred them.
- 5.5 Travel and business expenditures should be paid for using the University's corporate purchasing card (except for meal per diem amounts), where possible, or by the individual traveller requesting reimbursement.
- 5.6 When booking travel, consideration is to be given to the potential risk and impact on University operations of several senior management members or members of one department travelling together on the same flight, vehicle or other mode of transportation. Travellers are expected to weigh the benefits of the travel against the environmental costs of travel.
- 5.7 Eligible expenses while on sabbatical leave must be pre-approved by an employee's supervisor/one-up.
